

src/Arguments.cpp

```
graph TD; A[src/Arguments.cpp] --> B[iostream]; A --> C[Arguments.hpp];
```

A diagram illustrating the dependencies of the file `src/Arguments.cpp`. At the top, a gray rectangular box contains the text `src/Arguments.cpp`. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box contains the text `iostream`, and the right box contains the text `Arguments.hpp`. This visualizes that `src/Arguments.cpp` depends on both `iostream` and `Arguments.hpp`.

iostream

Arguments.hpp
